

Dear Hiring Manager,

I am writing to express my keen interest in a software engineering position. With over 30 years of experience, I am confident in my ability to bring a wealth of knowledge and expertise to your dynamic team. My diverse skill set, leadership capabilities, and track record of successful project delivery make me an ideal candidate for this role.

Skills & Abilities:

Throughout my career, I have demonstrated a deep knowledge and hands-on experience in designing, developing, deploying, tracking, maintaining, and enhancing both on-premises and cloud-based applications. Serving as a mentor and leader, I have successfully guided fellow developers and contributed to the analysis and improvement of the software development process. My proficiency spans a wide range of technologies, including .Net, Angular, API, Arm/Bicep, AWS, Azure, C#, DevOps, Lambda Functions, Java, MVC, Oracle, PHP, Postgres, Razor, React, SQL Server, Terraform, and WPF.

Professional Experience:

In my most recent role as a Team Lead Software Engineer at Accenture, I specialized in hybrid cloud solutions, suggesting and implementing software delivery process improvements. At Cox Automotive, I co-led the development of iRecon from proof of concept to market and employed Terraform to deploy and maintain AWS infrastructure. These experiences, along with my tenure at Blizzard Entertainment, Acryness Inc., and other esteemed organizations, have equipped me with a comprehensive skill set to meet the demands of your organization.

Education:

I hold a Bachelor of Science in Computer Science from the University of Central Florida, underscoring my commitment to continuous learning and growth within the field.

I am eager to bring my expertise and commitment to excellence to your company. I am confident my skills align with your requirements, and I am excited about the opportunity to contribute to your team's success.

Thank you for considering my application. I look forward to discussing how my skills and experiences can benefit you.

Sincerely,
Stephen Hamburg
